EDUCATION

Bachelor of Fine Arts, Major in Sculpture
2008 - 2012, NSCAD University

Winter exchange semester
2011, School of the Art Institute of Chicago

EXPERIENCE

I am an art school graduate with a diverse work background. My educational focus was on sculpture and installation art but upon graduation I pivoted to work in regenerative agriculture. My primary focus while farming was on cut flower production and arrangement. Due to my diverse work background I have developed a keen visual eye as well as a strong work ethic. I have a balanced mixture of hard and soft skills.
